AUG 24th

There will be a public reception and community event focused on real world opportunities developed by SCAD Design Management and Design for Sustainability graduate students to bring economic, green, and sustainable futures to Whitemarsh Plaza.

Please join us in celebrating and collaboratively enhancing these inspiring opportunities while enjoying live music as well as food and beverages provided by Wiley's Championship BBQ and Thrive Cafe.

There will be a formal presentation of the design work @ 5:30 p.m.

Event will held inside tenant unit B (between Thrive Cafe and Gas & Moore)
